### Come Join the OHNIG Leaders Team!

The OHNIG Executive asks interested members to contact the OHNIG executive and discuss how they can volunteer their help. [See Guidelines for Volunteers](#). OHNIG would be delighted to have extra hands and new ideas! Minimal time is expected from volunteers. Capitalize on your own learning curve by helping fellow Registered Nurses in today's changing health care world! Maximize your skills by Networking with fellow Registered Nurses who are self employed.

Many thanks to all OHNIG Members for your continued support,
